Lydia Crown

Indie · Singer-songwriter

Northern New Jersey

Lydia Crown is a new voice in indie music who writes songs that feel personal enough to be about you.

BIOGRAPHY

Lydia Crown is an emerging indie singer-songwriter from Northern New Jersey, crafting personal, emotionally driven music rooted in folk and classic rock influences. With a gift for honest storytelling and haunting melodies, she explores the complexities of love, heartbreak, and life through her songwriting. Following releases including “Sweet When It’s Good” and “Your Frost,” Lydia is set to release her latest single, “It Still Stings,” on November 6, 2026, ahead of her debut album, Ruined.

NEW SINGLE · NOVEMBER 6, 2026

“It Still Stings”

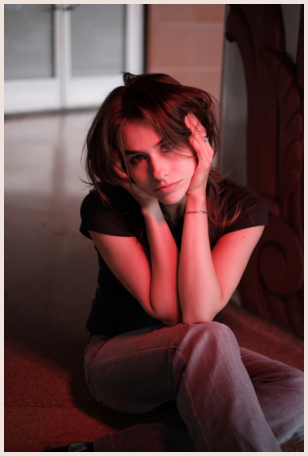

Some feelings don’t fade on schedule.

Good Day New York

Lydia Crown’s performance and interview segment on Good Day New York airs on November 6, 2026.
